WINEMAKER	Rita Sequeira
VINIFICATION	Foot-trodden in granite vats.
TECHNICAL DETAILS	Alcohol: 19,50% vol. Sugar: 119 g/dm ³ Total Acidity: 3,9 g/dm ³ PH: 3,59
BOTTLE	750ml
TASTING NOTES	Port of an admirable ruby still developing colour of a purple brownish hue, and fruity aroma resembling resins and dates. It is medium bodied with low alcohol content. The time spent aging in oak casks provides this wine with an accentuated character and maturity.
STORING	Is ready for drinking and will not improve if kept for a long time. The bottle should be protected from light and humidity, at a constant temperature (16°C to 18°C).
SERVING SUGGESTIONS	Ideal to be served on its own or with cheese, chocolate cake, coffee pudding. Decant and enjoy at 17°C.
